LOGNOTE -- Chief, Operations Group, 1 January 1984

1. (Williams) OD&E is planning not to occupy 7,000 square feet of space in Ames Building. Of this, some 2,000 square feet is vaulted we are told. D/FBIS wishes to minimize the number of component moves which might take place prior to the move into the new Headquarters building. He has made a command decision that ED will move in toto to the new space becoming available in Ames. Finding adequate space for ED is an S&T objective. D/FBIS feels the move to Ames allows ample space for MOD in Key and avoids the undesirable possibility of relocating ED in
